How do I change my password?

Once you have received your new password, if you want to reset it to something easier to remember, complete the following steps.

Once logged in click on Update Profile in the main menu, where you can set any password that you want

The screenshot shows the 'prnconsulting pharmaceutical resource network' logo at the top left. A navigation menu below it includes links for Home, About Us, Audits, Medication Management, Resources, Newsletters, Education, Login, and Update Profile. The 'Update Profile' link is circled in red. Below the menu is the 'Edit Your Details' section with three tabs: CONTACT INFO, CANVAS, and PORTRAIT. The CONTACT INFO tab is active. It contains several form fields: First Name (Neil), Last Name (Petrie), Username (blurred), and Email. Below these are three password-related fields: Current Password, Password, and Verify Password, all of which are enclosed in a red rectangular box. Each field has a corresponding instruction: 'Please verify your current password.', 'Please enter a valid password. No spaces, at least 6 characters and contain lower and upper-case letters, numbers and special signs', and 'Please verify your new password.' respectively.
